PUPPY / KITTEN HEALTHCARE PACKAGES

Congratulations on your new puppy / kitten!

Thank you so much that you entrusted us with your new family member. Primary Healthcare – vaccinations, deworming and sterilisation – are of utmost importance to ensure a healthy beginning for your lifelong friend.

We would like to assist you financially by offering the following:

Package consist of:

- All the primary vaccinations
- Deworming with each visit
- Sterilisation at 6 month of age [spay/castration]

Our assistance:

1. Debit order payments over 6 months
2. Pay for the whole package TODAY and receive a 10% discount on the package

AND RECEIVE A R 50 DISCOUNT FOOD VOUCHER with each follow up healthcare visit [primary vaccinations and sterilization]

T&C apply

If you are interested, choose one of the options:

1. Debit order over 6 months
2. Pay the whole package with 10% discount
